

Date: 09/28/99

David/Bob:

In response to a verbal request from the NYSDEC on 08/26/99 and based upon confirmation of an emergency contaminated drinking water problem, a decision has been made to immediately fund a time critical removal action at the West Mahopac Wells site located in West Mahopac, Putnam County, New York. This funding will be provided through the use of an Emergency procurement and concurred upon by DD Richard L.Caspe.on 09/26/99.
